

Greetings to all associated with Eurobodalla Meals on Wheels.

Two pieces of exciting news and a new opportunity.

Thank you for the part you play in the success of our organisation. Everyones contribution has led to our nomination within the Business Awards being successful, and last year we won our section of the Elgas Acts of Kindness -can we do it again?

There is an opportunity for you to continue your contributions within the community through the Eurobodalla Library scheme, or maybe to be a recipient.

Please vote in the Elgas Acts of Kindness and if possible contact the Library nearest to you.
